

Cable/Internet/Phone Service

All Ocean Dunes units are automatically connected to Charter Spectrum for expanded basic digital cable TV as part of the association's contract. (You are billed for it as part of your monthly dues.) However, you need a digital cable box to access the service. Each unit must sign out a box/remote from Charter Spectrum. One free box is provided as part of our contract. You may sign out more boxes at \$6.99 each per month, which will be billed directly to you.

Charter Spectrum's local office is in the Food Lion shopping center near the bridge in Carolina Beach. The new contact # for Charter 1-888 345-7139 (for owners) is more effective than the generic 800 # on their website or your bill.

Owners can set up individual agreements with Charter for additional digital boxes, premium or additional TV packages such as sports, and Internet and phone service. Owners can also get Internet from other providers over DSL such as AT&T, and the pay-as-you-go Broadsail signal is available to most buildings. Phone service is also available from Bell South or AT&T. All of these additional services will be billed directly to you.
